### Mandatory Additional Requirement for earning under graduate Professional Degree

**Addressing the needs of the industry and the society:** Globally, education systems have continuously evolved, in order to address the needs of the industry and the society. It is becoming imperative that every University should create opportunities for the students to inculcate attributes, which are not restricted only to engineering knowledge and acumen. Industry needs professionals who can work successfully in teams, who have leadership qualities, who are alive to social and community needs and who can bring innovation and creativity to their work and who are also digitally proficient. Hence, in order to prepare its students to match these multiple requirements, MAKAUT,WB has created a unique mechanism of awarding Activity Points over and above the academic grades. It is planned that the students at MAKAUT,WB will be able to reap benefits from these activities at their own pace and comfort. It is expected that by the time MAKAUT,WB's students reach their Final Year, they would have developed themselves so well both through their studies in the respective technological field and through their active participation in the co-curricular and extra-curricular activities as also through SAWYAM based learning activities that they would be well-prepared for contributing to building the India and the world of their dreams.

**The additional requirement applies to:** Every student, who is admitted to the 3/4/5 years Degree program from the academic year 2018-19 onwards \*, in addition to the required academic grades is required to earn minimum 75 Activity Points for a three year programme, 100 Activity Points for a four year programme and 125 Activity Points for a five year program, for getting MAKAUT,WB's degree. *(Please see Table 1 for details).*

Duration of the Course	Total duration for earning Points	Minimum Points
3 years	1 <sup>st</sup> to 3 <sup>rd</sup> Year	75
4 years	1 <sup>st</sup> to 4 <sup>th</sup> Year	100
5 years	1 <sup>st</sup> to 5 <sup>th</sup> Year	125

**Table – I**

These points must be earned on the basis of active participation in co-curricular and extracurricular activities spanning through all the semesters of study. Every student may choose, as per his/her liking, activities in order to achieve the mandatory points (as per Table-II, depending on his/her course duration), before becoming eligible for award of the Degree. These activities can be spread over the years, as per convenience of the student.

\* for B.Tech programmes a separate notice has been already issued

### Notes:

- Every student shall participate in the co-curricular and extra-curricular activities and produce documentary proof to the designated Faculty Members appointed by the Head of Department / Principal / Director in the respective college. Thereby the student should earn the required Points before *her* she appears for his/ her Final Examinations.
- A student's result of his/her Final Examinations will be withheld until he/she completes the minimum Activity Points by the end of his/her Degree Program.
- In every semester, every student is required to prepare a file containing documentary proofs of activities, done by him / her. This file will be duly verified and Activity Points will be assigned by the teachers as appointed above, at the end of every semester.

- The college will form a 3 members committee and finalize the Activity Points for each student before entering them into the Online Point Entry System (at the URL, as specified by the COE of the University).
- Every student has to earn at least 75, 100 or 125 activity points for 3, 4 or 5 year course respectively. The points students has earned will be reflected in the student's marksheet.

Table II provides a List of Activity Heads and Sub-Activity Heads along with their capping of the Activity Points that can be earned by the students during the entire Course duration.
